Wayne National Forest Recreation Feasibility Study Personal Interview Agenda

<p style="text-align: center;">Wayne National Forest Recreational Feasibility Study Personal Interview Agenda Strategic Research Group</p>

A. General Outdoor Recreation Activities

1. What are the primary outdoor recreation opportunities in your area?
2. Who provides this activity? (FOR EACH)
3. Of the providers you have mentioned, rate each on a 1 to 7 scale where 1 indicates a very poor outdoor recreational provider and 7 indicates an excellent outdoor recreational provider.
4. Why do you say that? (FOR EACH PROVIDER)
5. Are there any recreation opportunities you feel should be expanded in this area?
6. Are there any recreational opportunities that you would NOT like in the area?

B. Recreation and Economic Development

1. What roles does recreation have in your area?
2. Is there a role for recreation in the economic development of an area?
3. Who do you see as the leaders for recreational economic development?
4. What role do you see the WNF playing in that process?
5. What types of things is your group willing to do to expand/promote recreation opportunities in this area?

C. WNF Recreation

1. What does WNF currently provide for recreation opportunities?
2. What recreational opportunities does WNF have that are unique to this area?
3. How well do they manage recreational sites and areas?
4. Do you think that WNF should expand their recreational efforts?
5. In what ways should they do to expand their recreational efforts?
6. How can WNF work cooperatively with local communities and businesses?

Other

1. What other issues are important to you concerning recreation.
2. What other groups should we talk to?
